

## Personal Accident Insurance Summary

The NGIS Personal Accident cover is made available to AWJFC through our affiliation to Sussex FA.

The cover runs from 1<sup>st</sup> July to the 30<sup>th</sup> June each year and is effective during matches, training and any pre-season training. Cover also applies whilst travelling directly to and from such matches/training.

All players registered with AWJFC, managers, coaches and committee members are covered for a range of lump sum benefits up to a maximum of £100,000 – see policy wording for full details.

### Important Notes

1. Only registered players are covered. This means that any players undergoing a trial will NOT be covered unless and until they become a registered player with AWJFC.
2. The cover is primarily designed to operate whilst the persons covered are undertaking matches or official training at one of our normal match/training locations. That said, cover will still apply at other locations, provided that the activity is an official activity on behalf of the club and that it is overseen by an official club manager/coach.
3. Whilst cover applies to all size groups irrespective of the number of players involved, cover will clearly NOT apply if a couple of players decide to have a kick-about on their own at a local park, but it WILL apply should a coach decide to conduct a specialist training session with, for example, just one or two goalkeepers at the same local park.

### Important Exclusions

1. The insurers will not pay any claim under this policy if the person covered has acted against the advice of a Qualified Medical Practitioner. So, if a doctor has recommended that a player should not play for a certain period of time, any injury(ies) sustained during that period will NOT be covered.
2. The insurers will not pay any claim under this policy for a repetitive stress (strain) injury or syndrome or any other condition or injury which develops over a period of time. So, an injury has to be attributable to a specific, identifiable incident for a claim to be admissible under the policy.

For other exclusions, please refer to the full policy wording.

## Support Services

All persons covered have access to a free counselling helpline and a free legal advice helpline on a 24 hour, 365 days per year basis. The number to call in the first instance is **0117 934 0110**.

## Claims

Anyone wishing to make a claim under this policy, should notify Marsh Sport as soon as possible following the incident. The number to call is **01732 520273** between 9am and 5pm Mon-Fri. They should also notify Club Treasurer Rachel Du Feu on **07794 548186**.

The person wishing to make a claim, their parent or other legal representative will need to complete a claim form and provide any supporting medical certificates or documentation required by the insurers.
